APRIL 2024

President's Corner

I have heard from several members about their concerns over Dr. Clark's resignation. While this isn't a contract issue that WEA has jurisdiction over, the lingering feelings of apprehension over the district's stability is something that WEA can address, though, not solve.

I met with Angie Hamberg, Interim Superintendent on March 8th. I found her to be open to the concerns I raised and eager to get started in this new role. At that point, she was on day 4 of her tenure, but noted that she intends to get out to the buildings to start meeting you all, so I hope you get the chance to meet her soon.

Even if it's a simple, "come learn what I do", I'd love to be part of it.
